WINTER 2021

## AN EXPANDING ACADEMIC NETWORK

This year we expanded our university partners network of Terminology without Borders! It is a collaboration project between TermCoord and universities. For more info click [here](#).

## IATE TERMBASES at your fingertips

TermCoord provides in-house translators with thematic termbases in various domains. They can be downloaded from IATE also by external users with an EU Login. You can find instructions and more information [here](#).

## PUBLISHING European Stories

*My House of European History* is a multilingual project of the EP for which TermCoord is cooperating with DG TRAD's My House of European History Unit. This cooperation is described [here](#). You can read the original EU citizens' stories [here](#).

WINTER 2021

*Tailor-made  
Trainings*

## REACHING OUT TO EP MEMBERS AND DRAFTERS

TermCoord organised special training sessions for Members of European Parliament (MEP) about Human Rights terminology. Next year, TermCoord will also offer terminology research training for MEP assistants and drafters of legislative texts in the EP committees.
